2010 Servant Leader Intern Consent Form

I, _____ (servant leader intern applicant's name), give permission to the Children's Defense Fund and its designees to collect and record data about me. This data gathering may include, but is not restricted to, the following:

- Surveys and/or interviews about my knowledge, attitudes, skills, and behaviors in regard to my academic development such as motivation to read; nonacademic development such as leadership, mentorship, social action/advocacy and conflict resolution skills; and overall satisfaction with the CDF Freedom Schools® program and other information related to my service as a *CDF Freedom Schools* servant leader intern.

I understand that the purpose of these surveys and interviews is to document the impact of the *CDF Freedom Schools* program on its participants, and to identify areas for improvement. I also understand that this information will remain private and will only be accessed by my site director(s) and research assistants approved by the Children's Defense Fund.

I also understand that my responses will be automatically grouped together with the responses of other *CDF Freedom Schools* sites for any public presentations of findings, and that I will not be individually linked to my responses. In addition, I understand that I can take back my permission at any time.

I also hereby give the Children's Defense Fund, its successors and assignees, the irrevocable right to publish my name as well as any information shared by me with the Children's Defense Fund in personal interviews about myself. I further give the Children's Defense Fund, its successors and assignees, the irrevocable right to use my voice recording and any recording, picture, portrait, or photograph of myself in all forms and in all media and in all manner, without restrictions as to changes or alterations, for advertising, promotion, exhibition, or any other lawful purpose. I waive any right to inspect or approve any such photograph or recording. I agree that the Children's Defense Fund owns the copyright in these photographs and recordings, and I hereby waive any claims I may have based on any usage of any photograph, recording, or work derived there from. I have the legal authority to execute this release, and I have read and fully understand its contents.

I hereby certify that the statements in this application are correct and true. I understand that my service as a *CDF Freedom Schools* servant leader intern is based, in part, on the information provided within this application and my agreeing to the terms as outlined in writing by the Children's Defense Fund. I authorize the local program sponsor to furnish a copy of this form to the Children's Defense Fund for use in any demographic/longitudinal evaluations that may be developed to strengthen the *CDF Freedom Schools* program nationally.
